**PLEASE CHECK THE APPROPRIATE BOX:**

1.  Established Catalog or Market Price Warranty: Seller warrants that the prices for the goods and/or services covered in their quote/bid/proposal are based upon the established catalog or market prices of commercial item(s) or services sold in substantial quantities to the general public. **Note: Please include a copy of the applicable page(s) of your catalog or price list with this document.**

**The date and title of applicable established catalog or market price list is:**

\_\_\_\_\_  
\_\_\_\_\_

2.  Lowest Price Warranty: Seller warrants that the prices set forth in their quote/bid/proposal do not exceed those billed to any of its favored customers, whether they are governmental agencies, institutions, or the general public for the same items in like or comparable quantity, quality or specifications, within the same time frame.

3.  Used Equipment Price Warranty: Seller warrants that prices set forth for used equipment in their bid/proposal does not exceed those charged by the seller to any other educational customers purchasing the same item(s) in like or comparable quantities. If this box is checked, please include a cost comparison quotation for the same or like new equipment and show the educational discount on both the used and new equipment.

**NOTE:** If more than one box is checked, Seller shall specify which of the above boxes is applicable to each item listed on seller's bid/proposal. If none of the above boxes are applicable, please submit detailed cost or price data sufficient for us to determine the reasonableness of your proposed price.
